FARNK TINDALL TAKES OWN LIFE

Frank Tindall committeed suicide by shooting himself in the head with a pistol Sunday evening. The rash deed was committed on Mrs. Burns' ranch near Largo and near his own place. It developed at the coroners inquest that Tindall had been drinking and had been having trouble with his sisterinlaw, Mrs. Burns, and his wife. He had seen his wife and Mrs. Burns and her little son and Frank Whitehead leave the house and had taken his gun and followed them. They had observed him and taken refuge in the cabin of some Italians working on the Burns ranch. Tindall fired several shots at them and finally turned his pistol on himself probably thinking he had shot some of the others. Mrs. Burns little son escaped and ran to the McNab ranch where officers were telephoned for. Deputy Sheriff W. B. Hagans, Bert Miller and R. L. Hutchison went down and investigated the case. Dr. Rea had also been telpehoned for and broke the axle of his auto and was picked up by the officers.

IT MIGHT HAVE BEEN WORSE

Last Sunday while returning from Santa Rosa, Claud Davidson on his motor cycle started to pass Mr. Taylor in his new Overland when a horse which was also in front of him turned across the road. Claud struck him and was ditched and his motor cycle crippled. The auto also struck the horse and bent a fender. The horse was so badly crippled that he had to be shot. Claude has been busy this week repairing his motorcycle.

STATE HIGHWAY IS BEING FINISHED

State Engineer Sumner was in town this week inspecting the work being done on the state highway north of town. He reports that a crew was put to work this week on the highway below Hopland and that before long will have it all rolled down and in good shape. Quite a portion of the road south of Hopland is very rough and extremely hard on auto tires and many machines are still coming up the canyon to avoid it.

TAX COLLECTOR SOME COLLECTOR

In another secton of the Press will be found the delinquent tax list of Menudocino county for this year.

The list totals only $5196.28, one of the smallest ever known in the county, or less than 2 per cent of the total taxes. Last year the list was about $8,000 which was also very small. The total amount of taxes collected by Tax Collector Van Dyke and his deputies this year was $313,-127.31, and in handling all of this money they made not one error of even a cent in their settlements.

Tax Collector Van Dyke has an enviable record for himself as a county official and is constantly on the job. While times have been good taxes would have naturally been paid well he has increased the payments over what they would have been by sending out duplicate receipts and statemets and jogged the memory of the forgetful. He is courteous, accommodating and efficient and his friends over the county say that he is the right man in the right place.

WANTS TO RETURN

Ralph Vernon, formerly of this city, is slowly recovering his health at the Alameda sanatorium after an attack of pneumonia. It will be sometime before he will be able to work and the doctor advises him that he will have to leave the city. He is anxious to return to Mendocino county and if any of his former friends can offer him a position he will be very grateful. Ralph worked for the C. Hofman company for several years and is reliable and industrious.

BUYS SOOCK ON COAST

J. C. Johnson and Alex Kahaman were over to Point Arena last week and purchased 106 head of calves and steers which will be put on their ranches south of town for dairy and stock purposes. Thomas Farrance acted as head vaquero for the gentlemen and Tom is credited with having used the rope to good advantage, it being stated that he performed a wonderful exploit in roping and tieing a four day old calf in 37 minutes—unaided.

At the election at Carrol school district last Saturday it was voted to bond the district to repair the school building. The vote was 10 to 5. Carroll will soon have one of the prettiest little school houses in the county.

CREDITABLE SPECIAL EDITION

A copy of the Marysville Democrat progress edition was received this week. It is a very creditable booster number and will undoubtedly do much good for that section. One page is devoted to telling the people of the world that the people of Marysville have spent $150,000 on street paving during the past 18 months. The work has been done by the Clark & Henery construction company, the same people who did the paving in Ukiah.

UKIAH ATHELETES WILL GO TO CHICAGO MEET

Caughey and Allenby Will Both Participate in the Big Field Meet and Expect to Cop Some Firsts—Mendocino's Star Atheletes Will Compete Against the World in Tests of Strength and Endurance.

Caughey and Allenby left this morning for Chicago to represent the Ukiah high school in the University Chicago field meet to be held on the Marshall field commencng June 6. A committee visited the business men of Ukiah Tuesday and in a few hours had secured subscriptions amounting to $187. Every one was anxious to help the good work and the gentlemen who had the petition report that it was the easiest money that was ever raised in Ukiah for any pubilc spirited enterprise. In fact a number of the merchants stated that if more money was needed to come back Frank C. Albertson was the only man who rubbed it in on the committee and he did it by insisting on giving $7.50 when the limit placed on the amount to subscribe was $5. But then Frank is a contrary cuss so the committee overlooked it.

The benefit given by Manager Cox of the Victory netted $26.20 which added to the fund makes a total of $214.20. As this was more then enough to send Caughey the committee got busy and found a backer for Alleny who has agreed to contribute the amount necessary in addition to pay the expense of both boys. It is estimated that it will cost them about $175 each. Needless to say that both boys are "tickled to death" but their friends trust that they will recover in time to bring home a few records.

While Caughey will shine in the hammer, shot and discus, Allenby will endevor to show his heels in the half and two mile runs. In a trial heat last night he ran the half in 2:03 2-5 and it is expected that he will be able to make it in company close to 2 flat. This means that he is practically a sure winner in these events.

It is regretted that Rowe of Willits was unable to go at the last minute. By his absence Mendocino county will lose a valuable man.

PROMINENT RESIDENT SUFFERS POISONING

Jim Montgomery, the local smithy, was taken suddenly ill last Sunday with ptomaine poisoning while automobiling to the coast with a party of friends, and was forced to remain at Fort Bragg in a hospital until Tuesday when he returned here fully recovered. The party consisted of L. J. Hoizhauser, Mr. Montgomery and Mr. and Mrs. Hale Prather and when nearing Mendocino Montgomery complained of being ill and his life was despaired of for a time. Dr. Preston was called at Mendocino and the stricken man sufficiently recovered to make the trip to the hospital.

PALM SALOON CHANGES HANDS

Will and Harry Owsley assumed the ownership of the Palm saloon Monday and it will again be brought up to the high standard and enjoy the large trade which it did a few years ago before the fire. The Palm saloon at one time was the most advertised liquor store in the State where all traveling men made their headquarters. The new propreitors have many friends among both the local and traveling public and their manner in catering to the same, and the orderly house which they have kept while acting as mixologists in other bar rooms here, is certain to win them a large patronage.

SMALL DAMAGE BY RAIN

It is stated that the rain of the past week has caused a small loss to the heavy hay crop of this section, by causing the tall grain to fall, which will make a disadvantage in harvesting. Some has already been cut and still in the fields, but a few days of warm weather will bring it out o. k.

THE EDITOR RETURNS THANKS

Chas Lemmers presented the editor with a mess of delicious new potatoes this week that were raised in his garden in this city. This all goes to show that Ukiah valley will not only produce anything but that it is inhabited by liberal minded people who believe in passing their good things around.

A special effort is being made to handle them so that they will reach the eastern markets at the earliest possible moment and in the best condition by manager E. W. Gould of the ranch.

RAILROAD AT STANDSTILL

A meeting of the directors of the Hopland-Lakeport railroad was held at Lakeport last Saturday and practically the same board of directors elected, S. E. Brookes of Hopland being one of those returned. The meeting was said to have been very optomistic over the outlook for a railroad. The report showed an actual cash balance on hand of $42.46 and that $79.498.22 has been expended in what had been done. So far the company has been unable to get anyone to handle their bonds and the directors announce that nothing further will be done until the company is properly financed.

AVIATOR DRAWM DOWN BY WIND

Aviator Tad Kearns who is to give the exhibition flight this afternoon at the race track made a trial flight Wednesday afternoon. He intended to fly over Ukiah but in making the circle over the Gobbi place the wind from the foot hills seemed to draw the aeroplane down and he was compelled to light in the grain field. The machine dropped from a heighth of about 100 feet but was uninjured and Kearns escaped with a shakeup. It took considerable maneuvering yesterday morning to get the machine back to the racetrack. Kearns is a gritty boy and an experienced aviator and the exhibition this afternoon promises to be well worth attending. His flight Wednesday night was the first time a machine has flown in this valley.

WHY NOT MENDOCINO COUNTY?

B. H. Sanders who was here from Sacramento last week reports that Mendocino county is the only county of importance in the state not represented at the State Fair and wants to know what is the matter with his old friends here. He is holding down a job as street car conductor and says that it breaks his heart to be compelled to tell inquiring passengers that the finest county in the state has no exhibit.

CLAUDE MAYFIELD TO SPEND TERM IN S. Q.

Claude Mayfield of Willits, was taken to San Quentin Tuesday by Deputy Sheriff George Finney to spend two and a half years on a charge of arson It will be remembered that a few months go Mayfield was lodged in the local jail for being intoxicated and while there set fire to the bedclothing and what furniture the imates enjoyed. A charge of arson was placed against him and he was sentenced to the penitentiary. Several prominent residents of Willits appeared on his behalf and he was released on a five years probation. A few weeks ago while visiting on the coast he imbibed too freely and started a rough house at Fort Bragg, wherein he was arrested He was taken before Judge White Monday and an order revoking his probation was made and he was given the above sentence as a substitute.

PLAYING FOR STAKES

Isaac Ackerman and George Holstein were arrested Monday evening by Marshal Brewer for indulging in a cassino game with fifty cents a deal at stake. The men were in a local saloon playing for the coin, but unknown to the barkeeper that any money was changing hands, when they were nipped. Studebaker

"That's the sixth Studebaker we've passed—the only kind to invest in"

"The only kind—because, as I always say, when a man puts money in a thing he wants to know that he's going to get the worth of it out again."

"That's plain business as I look at it."

"That's why I say the price doesn't tell you anything at all. There's only one thing that talks—except the wagon itself. That's the name of the maker."

"When you buy a Studebaker you're buying a vehicle that has behind it and in it sixty years of experience—sixty years of success—and sixty years of reputation for the square deal. That's why a Studebaker always looks good to me."

"My father used to say that Studebaker honor was as sure as a United States bank note. He was talking after having used Studebaker vehicles since he was a lad, and he told me his father before him said, 'Be safe—get a Studebaker.'"

"Vehicle builders can't hold that sort of reputation now-a-days without delivering the goods. A Studebaker wagon has the *best* in it. That's why a man gets the *most* out of it—why it's always an economy."

"Dealers may say to you something else is 'just as good.' But when you buy a Studebaker, you're making a safe investment every time."

FIGURE IT OUT YOURSRLF

It takes more than the bare assertion of the fellow temporarily running the sheet to make a "Leading Newspaper" Incidentally people cannot be forced to dig into their pockets for $2 to aid a public enterprise when they know that there is a scheme back of it to divert every other dollar into the schemers pocket. They would rather give $1 and know that all of it reaches the spot. Bobby Burns once wrote "The best laid plans of mice and men oft fail to catch the sucker" or words to that effect.

Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

Bread made with Royal Cream of Tartar Powder:

100 Per Cent. Digested

Bread made with phosphate powder:

68¼ Per Cent. Digested

Bread made with alum powder:

67¾ Per Cent. Digested

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.

POINTERS FROM POTTER VALLEY

(Special Press Service)

Potter valley, May 27—Rain is falling in our midst to a considerable degree notwithstanding the fact the farmers have cut their first crops of alfalfa.

Three new autos have been purchased in Potter and more ordered. Our community, or rather our enterprising farmers, run nearly a dozen here.

James Eddie and wife, A. F. Whittaker and wife and Mrs. Chas. Whittaker visited below while their new Reos were being put in running order.

Miss Bessie Dashiell of Berkeley, once a resident here, recently visited relatives.

L. Cowan and wife are visiting Bud Neill and family, Mrs. Cowans parents. Walter Neils wife also visited her husbands relatives here recently.

Royal Rider, wife and little daughter are up from below visiting Royals parents, J. S. Ryder and family.

Mrs A. O Hughes' daugater and husband, and little grandson of Petaluma are visiting realtives here

The Misses Clara and Hattie Rottluff with brother Julius of South Dakota are in the valley visiting their sister, Mrs. Walter Jones and family.

Among those who are building new houses this year is Mrs. Owen Sweeney.

Ukiah talent was well represented here last week, and also well patronized by the people here.

Frank Hopkins wife of Pomo spent last week in the city.

Charles Finney and wife of Boonville accompanied by friends spent Sunday last here and on Eel river.

The resorts are open for the summer owing to late rains not many tourists so far have ventured.

For Hair Health

If Rexall "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.

We could not so strongly endorse Rexall "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer.

If your hair is falling out or you suffer any scalp trouble, we believe Rexall "93" Hair Tonic will do more to eradicate the dandruff, give health to the scalp, stimulate new hair growth and prevent premature baldness than any other human agency.

We want you to make us prove this. We ask you to risk no money whatever. Buy a bottle of Rexall "93" Hair Tonic, use it according to directions for thirty days; then if you are not entirely satisfied, come and tell us and we will promptly hand back the money you paid us for it.

We won't ask you to sign anything, nor even to bring the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Rexall "93" Hair Tonic, and our honesty of purpose in recommending it to you?

Rexall "93" Hair Tonic is as pleasant to use as spring water and has but a faint, pleasing odor. It comes in two sizes of bottles, 50c and $1.00.

You can buy Rexall "93" Hair Tonic in this community only at our store:

BRING DOWN INSANE PATIENT

Judge Redwine and Deputy Constable C. H. Lovell were down from Covelo Wednesday on a business visit. They brought Chris Borick down to be examined as to his sanity. He is a new comer and has a ranch on the outlet. He was very desirious of securing a helpmeet and was too ardent in his affections. Judge Redwine reports a fine crop outlook in the valley this year and says that it is a pleasure to make the trip in a half day as against the old two days wagon ride.

OLD TIMER GONE

Mr. Bennet was at one time one of the prosperous ranchers of this county but in his old age met with reverses. He was a good citzen and was highly esteemed by many friends. He was 79 years old.

PERCHERONS ARE A DRAWING CARD

Many farmers have visited the J. L. McCracken ranch this week to inspect his new purchase of purebred percherons. The stallion Juin (84675) 95029 is a beauty. He was foaled April 10, 1909 department of Sarthe, France, sired by Oliver, dam Souris. Both sire and dam have a pedigree running through the Coco and Mignon strains. He is one of the best bred horses in the state in his class. Dr. Glaysier examined him for the state board this week and reports him in perfect cordition.

Induction (82936) 95022, the imported mare is also a splendid animal and with her little colt, Capt Woods, is attracting attention. The colt was foaled while crossing the Atlantic and was such a pretty little fellow that he became the pet of the passengers and the crew of the liner and at the request of the captain was given his name.

FORMER RESIDENT DEAD

According to the Point Arena Record J. G. Campbell died last week at Rocklin of pneumonia. The deceased was formerly a resident of Point Arena and was the father of S. B. Campbell of this city, who was called to his bedside a couple of weeks ago by his illness. It was thought however that Mr. Campbell was improving. He was taken ill while moving his family to Rocklin
